Dear Jennie (Jennerd Jr.)

I don't know what to say about you or to you.

For starters I'll miss you terribly!!! I'm so glad that you're going to Cal. State Fullerton. College is an experience that you shouldn't miss!

It makes your ^m mind more open and improves your relationships with others.

Of course you have plenty of experience in the later.

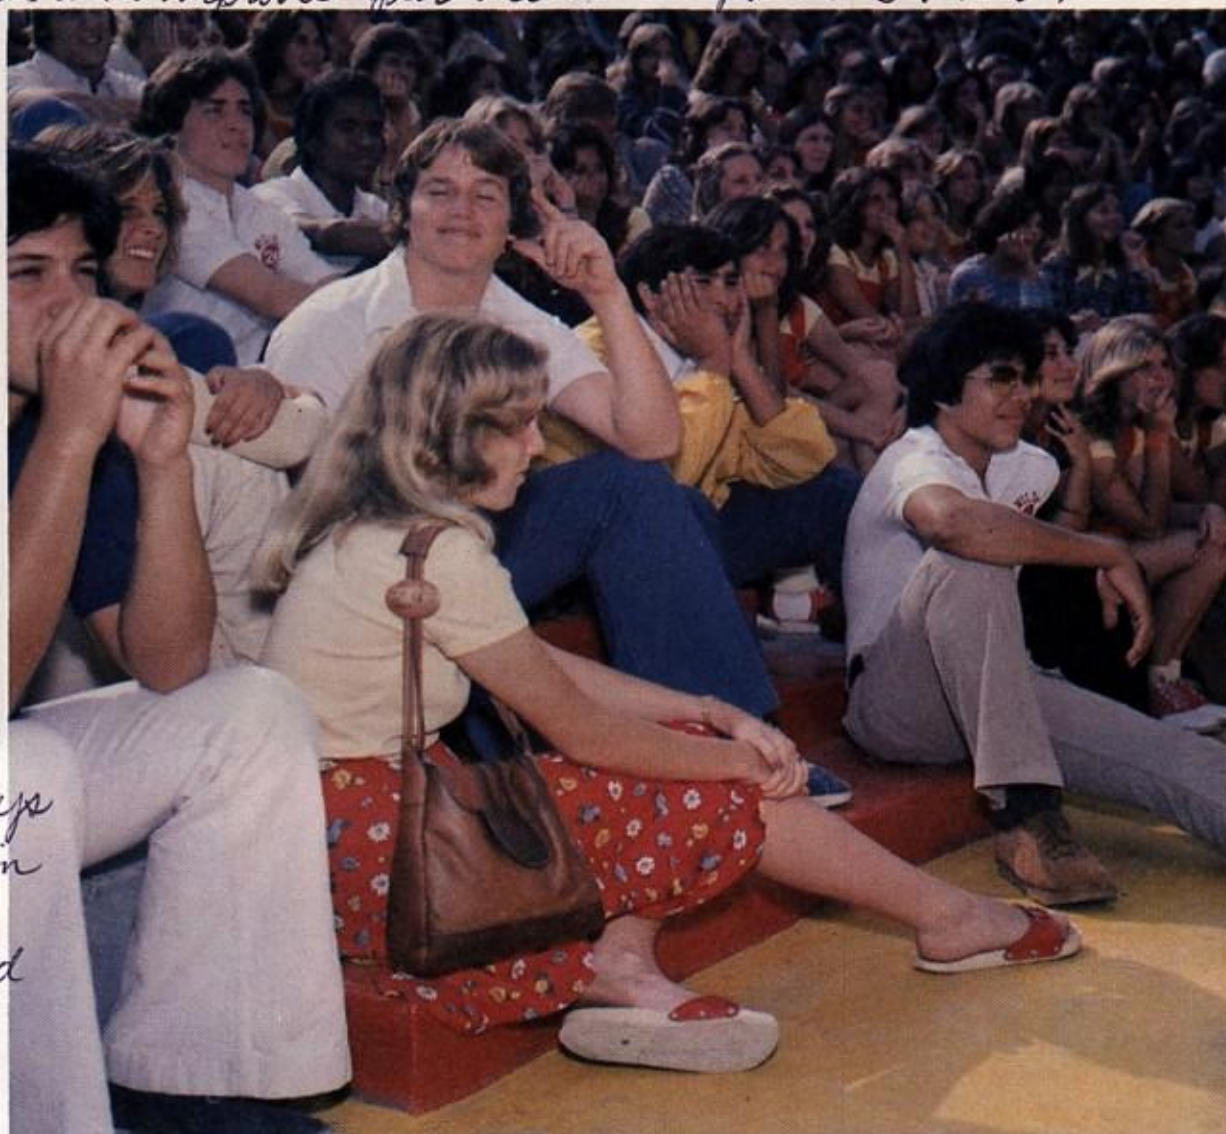

I of course wish you all of the best luck in the future. Is all you need to do is stop smoking, watch your mouth and your driving, and always give a 1st impression that is good. Even if you don't improve on any of these I'll still love you.

May God bless you always and make sure you keep in touch. O.K.?

You said that you would come back next yr. but I mean in the yrs. to come. I'd like to have a ride on your new bike, but my Mom said only around the block. Let's play tennis again some time this summer O.K.?

I can't think of anything else I can add, except that I'll love you always,

Carol

There have been many good times and many good times. I wish you all the best of luck and success always. I hope I will be a friend and soul friend to Donna College.

Spirited Wildcat fans pack the stands at the homecoming game. Lights dimmed and all eyes were on the spectacular fireworks display. Escorted by their fathers, the five princesses awaited the final announcement. In a bevy of fireworks the name Claudia lights up.

Last year's queen, Sally Walker, presented her crown to Miss Steiding. Flowers were presented to the Princesses Barbie Bixby, Melina Mitchell, Heidi Allison, Claudia Steiding, and Cheryl Tatosian. The candidates for King were Chuck Ciorlieri, Rick Hartig, Angel Figueroa, Rick Zepeda, and Carlos Castro. The halftime activities continued with the presentation of the floats which paraded around the track. This year's winning float went to the Sophomore class. The evening was dampened by another disappointing 34-0 loss to Glendora.

What Is Spirit?

Is spirit:

- a) An individual disposition and moods.
- b) The cheerleaders and songleaders doing cheers.
- c) The football team showing an outstanding performance. Opening the season against the number 1 ranked C.I.F. team with a close 20-14 defeat.
- d) Mr. Butler doing "Yeeeee Bo!"
- e) Everyone staying after the rally to sing the alma mater.

No matter how you answer, you're probably right. Spirit comes in many different forms and is expressed in various ways. Here at Wilson spirit is exposed everywhere on campus. Our ever popular Band, Band-aides, Drill Team and Rally Squad actively and enthusiastically support and promote spirit on and off campus.

Spirit is constantly on the rise. Each year is added a lot of new spirit to Wilson. Just this year the A.S.B. had its first female president — Melina Mitchell. And, as if one new football coach isn't enough, we added the knowledge and experience of Lee Fair, new Defensive Coordinator. The new swimming pool, also, brought about change including more spirit for sports, with such famous names as Jill Sterkel, our first Gold Medalist from Wilson, and with the water polo team.

So you ask; "What is Spirit?" Spirit is the Glen A. Wilson student body on and off campus expressing themselves as they are — Wilson Wildcats . . .

BANG! The sound of a gun cracks through the tenseness of the fans as the second quarter ends. It's half-time. Hurriedly the football players adjourn to the locker room for a pep talk. While the team recuperates for the second half, the crowd starts to mingle with each other. Dads race to the food and coffee lines; Moms pace outside in line for the bathrooms; Rally Squad introduces themselves to the other team's cheerleaders; the sound of music can be heard from the bleachers. The fabulous Marching Band and Wildcat-tets are performing their spectacular half-time show designed especially for the fans half-time entertainment.

Such a variety of activities happen between the second and third quarter. By the time you're at the top of the concession line, half-time is over. You rush back to your seat trying not to spill your root beer (you bought root beer, because while standing in line they ran out of coffee), and you see the Rally Squad on the field holding a sign with the returning fired up football team breaking through. Within a few seconds, both teams are on the field in kick-off position. Two plays later, the crowd is back to their own seats cheering their team to victory.

Jill Sterkel Wins Gold Medal

Jill Sterkel had made it to the top. She went to the 1976 Summer Olympic games representing the U.S.A. swim team in Montreal, Canada. She won the Gold Medal in the Women's 400 Meter Relay. With the U.S. trailing, Jill, the third swimmer, plunged into the water and dramatically tied the contest as Shirley Babashoff put forth a final effort. The combined team effort, aside from Jill, was Wendy Boglisi, Kim Peyton and Shirley Babashoff.

Hola . . . Hej . . . Hyvaa Paivaa . . . Hello

The foreign exchange program at Wilson has been very successful. Four new faces explored our campus and way of living. Students represent Mexico, Finland and Sweden.

Senior Mikael Larsson came from Sweden. He enjoyed Wilson students and teachers but thought the school was too big. Mikael's favorite place to visit was the Grand Canyon.

Lourdes Perez, a senior from Mexico lived with the Schneider family. Lourdes was an active member of the tennis and basketball team. She enjoyed the school activities and especially liked the field science club. She disliked the lunch. Lourdes's favorite place was the mall.

From Finland came Tuula Tilander. Tuula liked the teachers because they understood her when her English was bad. She wished there were breaks between classes so she could have time to talk to people. Tuula was very interested in Hollywood and enjoyed Mexican food the best.

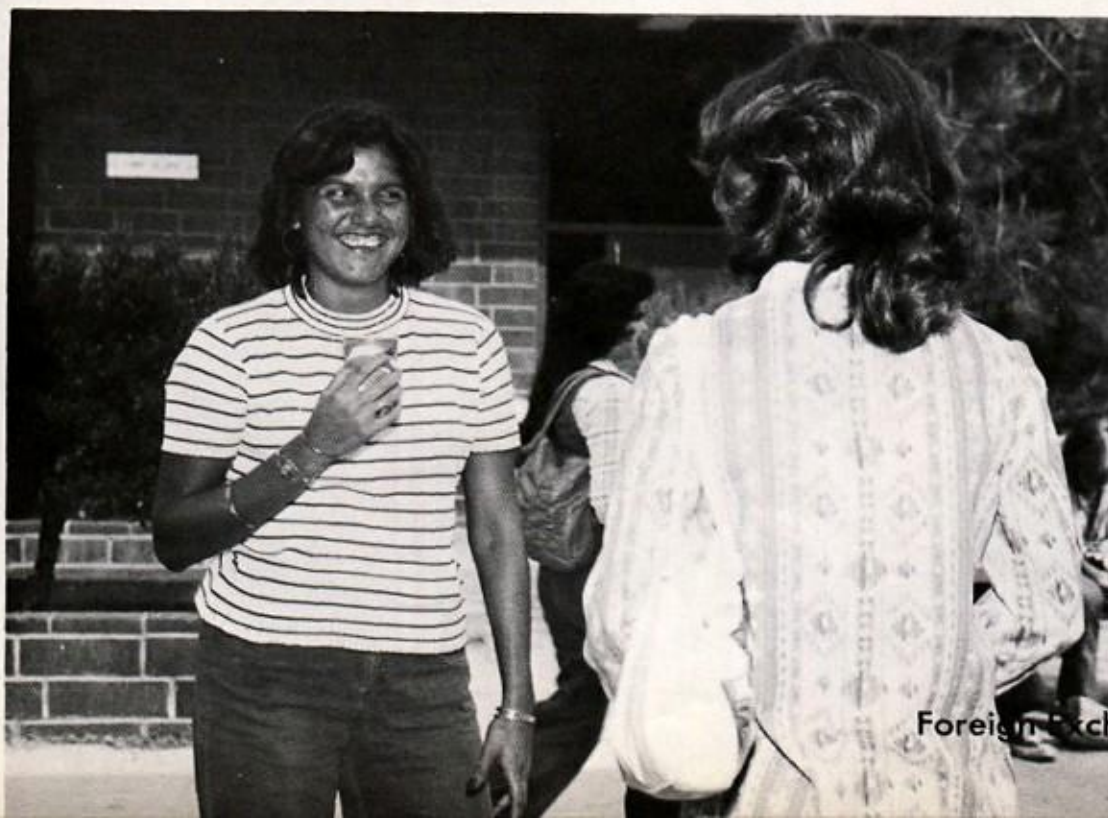

Pia Gradin a senior from Sweden had a comfortable stay in Hacienda Heights living with Mr. and Mrs. Dave Knope. Pia's favorite place to visit was San Francisco, and her favorite food was barbecue steak with pineapple. "I like the kids, they are friendly and seem to be used to exchange students. Most of the classes are okay except Linguistics which is kind of hard. I don't like that the students can't leave the school area and the short lunch hour."

From Mexico City, Monserrat Ascencio Ugarte, and from Brazil, Elizabeth Carreiro, had a comfortable stay exchanging ways of living.

Dancing In The Moonlight

"Dancing in The Moonlight" was the theme for the 1977 Winter Formal. The dance was held at the Ambassador Hotel in Los Angeles. It was Wilson's first semi-formal and last formal hosted away from the school. The traditional formal has changed to semi-formal and in the future will be held in the Wilson Gym. The purpose of this is to bring down the cost of the bids. It proves to be just as an enjoyable evening with less money involved.

The court and their escorts were: Cindi Guerra and Earl Nelson, Laurie Bingham and Greg Mowrey, Dena Fevela and Kevin Baker, Peter Beattie and Debby Trinkle.

Sponsored again by Les Bonnes Amies, the night was a total success. The band entertained the crowd with much soft, slow, music, and the students danced until the gala-affair drew to a close.

CLAUDIA Steiding and her date, Dave Spalione, Brenda Williams and her date, Todd Walton, and Cathy Polich relax after an exhausting dance.

TIME: The present. The play covers a period during the Spring, Summer and Fall of the year.

LOCATION — Eldritch a small farmers mining town in the middle west; population 70.

Smash Musical Revue — "ANYTHING GOES"

The Vocal Music Department's play this year was the off Broadway hit "Anything Goes," with music by Cole Porter. The comedy/musical's debut was March 24, 25 and 26 at the Hudson Auditorium.

The story takes place in the 20's aboard a ship sailing for England where Sir Evelyn Oakley (Jim Foxen) and Miss Hope Harcourt (Venetia Ricchio) will be married. Once on board Hope meets an old friend, Billy Crocker (Greg Mowry), and they fall instantly in love. Meanwhile Sir Evelyn meets the former evangelist turned bar owner and singer Reno Sweeney (Lynn Cossey) and the plot thickens. As the story continues, things for Hope are being complicated by her overbearing mother, Mrs. W. T. Harcourt (Pam Salters), and Billy is busy trying to avoid the purser and his boss Mr. Elisha J. Whitney (David Bollen), Mrs. Harcourt and trying to see Hope, also.

Also, aboard ship is public enemy number 13, Moonface Martin (Lennie Link) and his gangster girlfriend, Bonnie (Laura Gotto). Moonface becomes Billy's friend and helps him with anything he needs — passport, money, clothes and ticket. However, the ticket he gets him belongs to Snake-eyes Johnson, Public Enemy Number One. Now more problems as he tries to disguise himself from everyone. But then he is discovered and he is made the ship's hero!

Finally everything works out so that Reno and Sir Evelyn, and Billy and Hope get married. It even looks like Mrs. W. T. Harcourt and Mr. Whitney are going to get together.

This all takes place to such great songs as "Take me back to Manhattan," "Friendship," "You're the Top" and "Anything Goes" plus a million great jokes. This was a play to remember thanks to the work and imagination of the Vocal Music Department, Mr. Leonard Deters' patience and time for directing the musical and the great music of Mr. Gil Adams and the Wilson Stage Band.

Thank God I'm A Country Boy . . .

Leading up to the Sadie Hawkins was Sadie Week.

A variety of activities occurred during both lunches every day. To head the week boys were given ribbons which did not allow them to talk to girls the whole day; those who did, lost their ribbon. Teresa Schmidt won the contest tallying up 114 ribbons. Next Joe Pulice and Chris Baker really had it out when they chug-a-lugged four mugs of root-beer with Joe Pulice finishing first. The slave auction was a big success auctioning off students starting at 50¢ a bid. To cap off the events was the Kiss-the-Pig contest in which the student and teacher with the most amount of money collected had to kiss a real live pig. Mr. Bacon and Pam Campbell were awarded the kiss, with Mr. Martin and Michelle Rubin runners up.

"Do you Daisey May take Lil' Abner to be your lawfully wedded husband?" This was a popular line as many couples eloped at the Sadie Hawkins. Reverend Lee Fair and Co-Reverend Scott Massy conducted ceremonies, bestowed couples with marriage certificate, rings, and bouquets of flowers.

Mixed Blood and Soft Brandy provided the necessary foot-stompin' music during the three hour dance on March 11 at 8:00-11:30. The local deputies were busy arresting people for one cent and bailing them out for two.

The way to a man's heart is through his stomach, and that could be provided by sighting the many students surrounding Ma Kettles home-made vittels. The next best thing to the cookin' and kitchen was the Kissin' Patch, a popular area for the newlyweds. For the happy couples a photographer was on hand to capture a quick pose of the memorable evening.

MIXED BLOOD, the second band to play at the Sadie that night, gets the whole dance moving.

Juniors Win; First Time

JUNIOR defense listens as they receive a pep-talk from defensive coach Butch Spalione during half-time.

RUNNINGBACK DeAnn DeRamus throws a block for junior quarterback, Vicki Regalado, who is being pressured by Debbie Castoneda.

HOLLY Dixon sweeps right to help Seniors get in better field position.

QUARTERBACK Gina Natoli leads her team in a strong drive for yardage.

SENIORS listen to coach Steve Vasquez who tries to lift their spirits with his humor during half-time.

SENIOR, Judy Gray, attempts to catch a pass while being pressured by juniors.

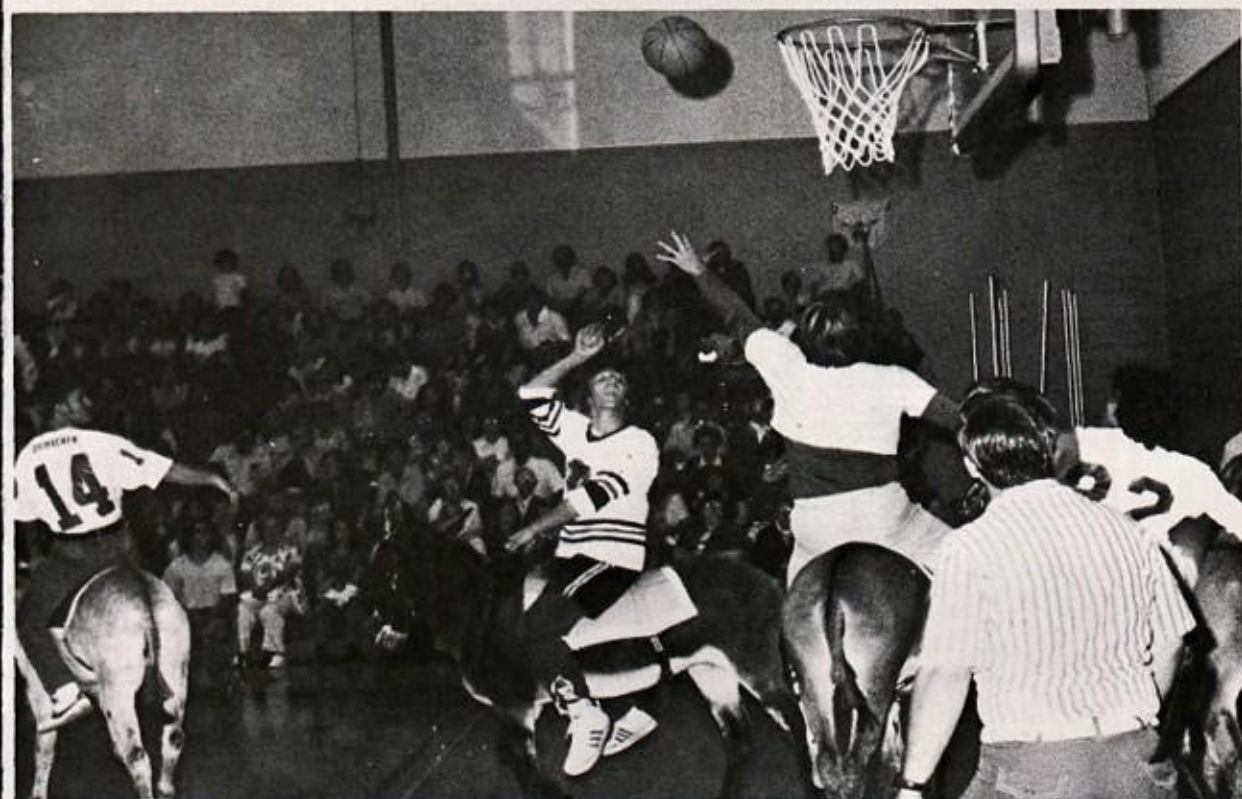

LAURIE Tracey rushes to the defense of her teammate Laura Gotto who is engaged in some extra-curricular activity with Yvette Meneses.

POWDER PUFF — As usual the seniors met the juniors in a tough game of flag football. Both teams were fired-up after one week of practice, learning plays, and getting bruised. The biggest bruise came Friday Dec. 10 during the game. The game looked as if it would be tied up at eight all, but the juniors made a late score with seconds left. The final outcome was 16-8, juniors.

Faculty Wins

DONKEY BASKETBALL GAME — Sponsored by the Lettermen, the donkey basketball game was a big success. The game is an exciting match between the senior lettermen and faculty members. The game held in the gym turned out to be as hilarious as in previous years. The faculty mounted their donkeys and rode to victory.

MIKE Amicone and **Coach** Foster battle to get the jump on the ball.

JOHN Aranas lays up the ball for two points despite the defensive efforts of **Matt** Ford.

ROBBY Martin tries to block **Doug** Schindler's basket attempt while **Mr.** Dobrenen tries to turn his donkey around.

BILL Salazar tries to score while **Lee** Wentz and **Fran** Cavezza prepare for the rebound.

COACH Long climbs up on his donkey after retrieving the ball.

That's Entertainment!

Under direction of Mr. Gil Adams, the Wilson Marching Band has put in many long hours of practice. The exciting sounds of the band has extended past the football field into many competitions. They have competed in West Arcadia, Santa Monica, Los Altos Halftime tournament and the Huntington Lane Christmas Parade.

A.S.B. Makes It Work

The Student council governs and conducts the business of the Associated Student Body. This year's senate was made up of hard-working individuals who deserve to be recognized. They work on their own class activities as well as working together to plan campus functions. Members of the A.S.B. Cabinet are: Diane Wilson board representative and senior senator, Jana Nelson senior senator, Pam Campbell senior senator, Dena Fevela Secretary, Adriana Piedrahita commissioner publicity, Peter Uhlir commissioner — finance, Belia Sanchez Commissioner Sales. Pam Lew rally commissioner, Estella Estevez commissioner of social activities. Patty Myers alumni commissioner. Working hard on Unity, Spirit, and Pride were the senators' main goals. The senate meets every day fourth period. They plan many activities such as dances and assemblies. Trying to get students who haven't and normally aren't involved in senate was the purpose of homeroom representatives.

Bye-Bye, "Yea Bo!"

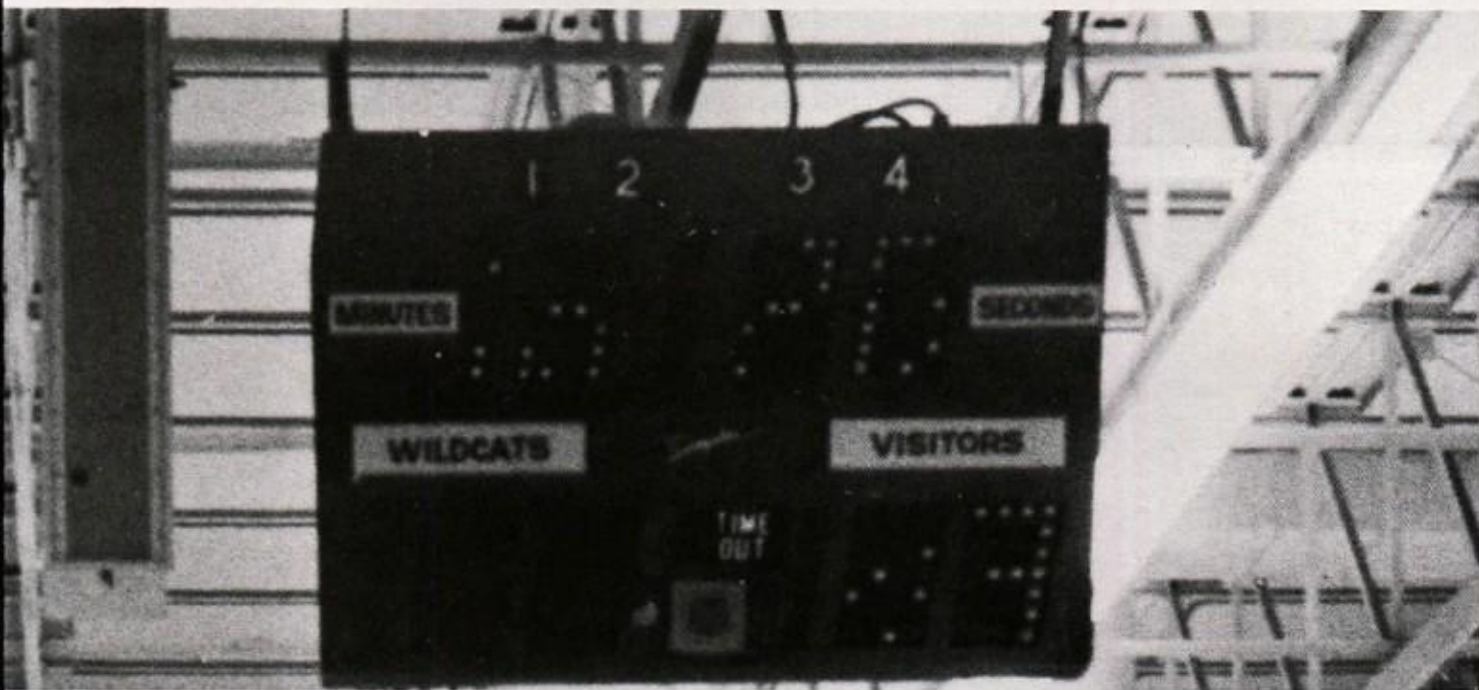

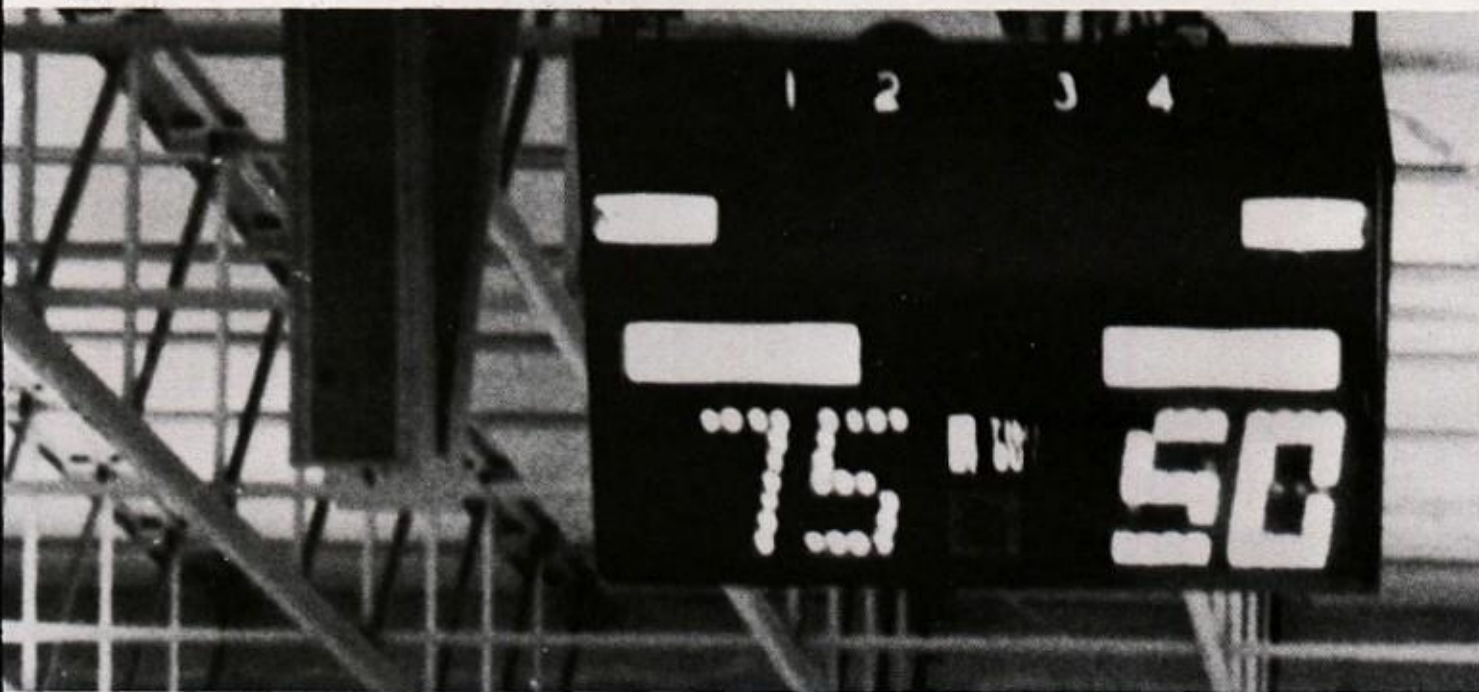

Don Butler came to us from Los Altos ten years ago when Wilson was just beginning. He was a physics and science teacher. Later he pioneered the DISC Program. The administration recognized him as a valuable man and appointed him Assistant Principal in charge of Administrative Services. Under this title he took charge of the school, student body budget and became Senate Advisor. Also, he was appointed Director of Student Activities. This job called for him to keep Senate meetings and decisions under control; attend all games and meets and help organize assemblies, dances and class meetings.

Not only is he a valuable person to the school, he is a loved member of the family. This year he is leaving the school, taking his much deserved retirement. Next year will not be the same, for everyone who saw him at a rally, watching him lead the crowd in the now traditional "YEA BO!"; heard him urge the L.A. game crowd on with "We want the wheel" and saw him smiling through the thousands of school activities. Anyone who saw all this knows how much he will be missed. For all those who have known him these past ten years, there will always be something lacking at every rally, game and Senate meeting. Good-by, Mr. B., thank you.

Sierra League Champs

Wilson's cross country has a very strong team. School workouts started September 7, but most runners ran all summer. Some ran on trails up in the hills for a constant hour twice a day. Others were able to push themselves to run a hundred miles a week. School work-outs consisted of twenty quarters, an equal of five miles daily. The Varsity team usually will run together and try to get the slower runners to stay up front so they will learn how to keep pace with the quicker ones.

The Cats made a great showing at Mount SAC as they placed three runners in the top ten, making all Sierra League first and 2nd teams. The charge was led by senior, Kevin Baxter and senior co-captain, Greg Winters in times of 10:35 (school record) and 10:42 respectively. They placed fifth and sixth overall followed by a super sophomore, Steve Cubillas in 10:48, placing ninth overall. Tom Robbins placed highly in thirteenth with a junior record of 10:57. These performances plus Bobby Golenors 23rd place finish clinched the Sierra League Varsity Cross Country title!

During the CIF Pre-lims the Cats had a very good race, good enough to gain the finals. The team was led by Greg Winters at 10:37, and Kevin Baxter right behind him with a 10:39. Tom Robbins came in 30th with Steve Cabillias 31st, running at 11:00 min., each, added with Bob Golenor's strong 43rd place finish, put the Cats in 5th place in the fastest heat of the day.

During the CIF Finals the Cats' squad had to run against the best cross-country teams in Southern California. Varsity posted an excellent team time of 54:49 at the tough Mount SAC course to place 8th overall in CIF. They proved how good they really were.

The Media and other sierra league teams rated Wilson fourth place; however, with great determination, spirit and good attitudes, not to mention the skill, the Wildcats came out number one!!!

J.V. Stars Contribute To Varsity's Success

This year's J.V. cross country team started out to a fantastic beginning. In fact the boys on the team were so good that half of them were placed on the Varsity team. After that the remaining J.V. team went into decline, losing all their following meets.

Some of the star runners were Tom Duck, Mike Cahow, John Serrano and Clayton Carpenter.

Cats Womp Warriors

With high expectations of a winning season, defeat lowered Wildcats spirits. The Varsity football team had something against them from the very start. They played with all the skill and determination they had, but they were out-sized by most of the opposing teams in the league.

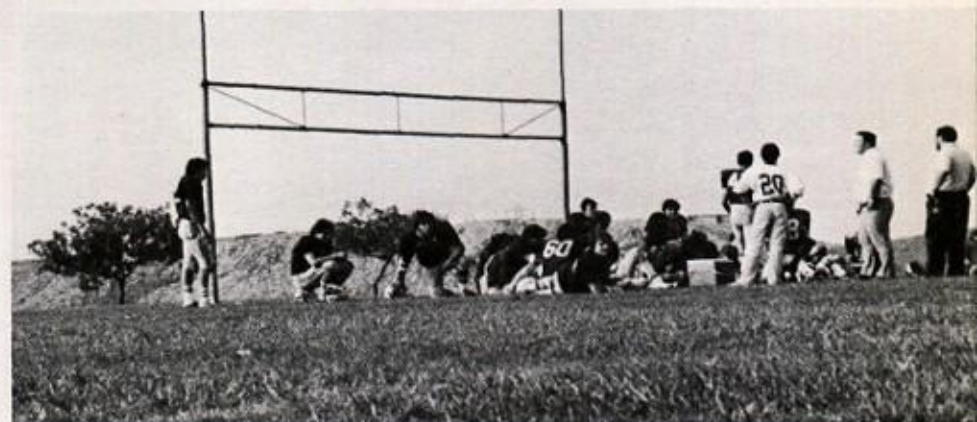

Fired up against the number 1 C.I.F. contenders, the Wildcats hosted the Huskies but fell to a dramatic 14-20 defeat. The fire soon smoldered as the Cats continued their losing streak against West Covina and Los Altos. Spirits lifted as the Wildcats womped the Warriors on L.P.'s home turf 25-13.

The 1977-78 team promises to improve upon their 6-1 record. Returning lettermen Peter Beattie, Butch Spalione and Don Bowley expect to provide the necessary boost for the Wildcats bid at the Sierra League title.

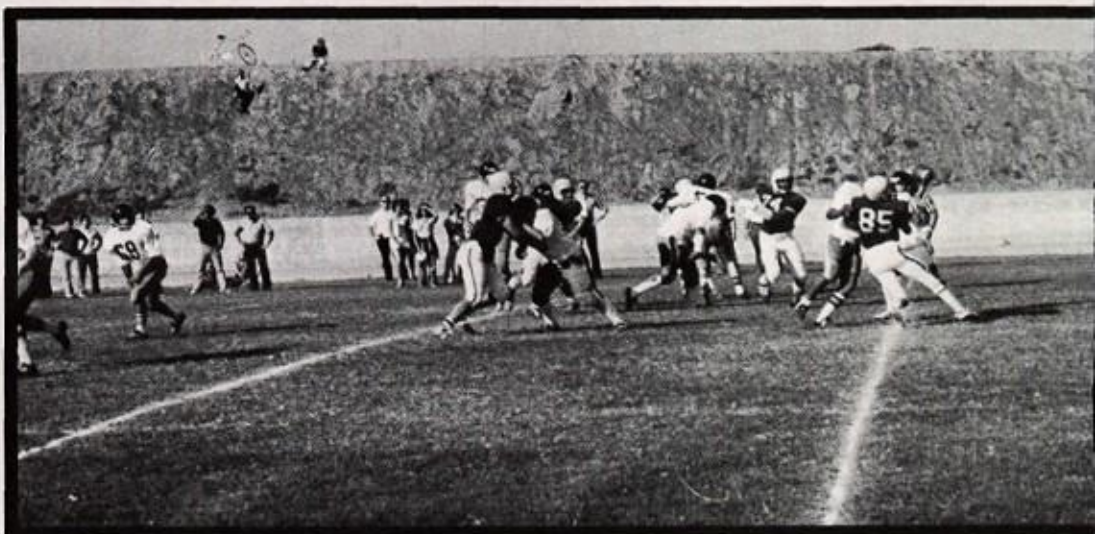

THE JUNIOR Varsity football had an impressive record this season. They started their season with a 14-24 loss to South Hills however, they came back to trample the La Puente Warriors 32-3. Their loss to West Covina 8-18, was soon followed by another to Glendora, 18-32. The season picked up with a 34-0 shutout against Edgewood and with Covina forfeiting. With our forfeiting to Los Altos, the season ended in a 3-4-0 league record. The team then voted runningback Greg Vasquez Most Valuable player because of his tremendous yardage record. Coach Lee Fair did a fine job with this team when it is considered they would not even know who the team members would be until the day before the game. Also, they would have only one hour's practice separate from Varsity and ten minutes in which to learn the plays used by the JV team.

Record Set: 15-3

The 1976 football season was a most successful one for the dominant Sophomore team. Wildcats holding with a 7-2-0 record to complete the season shows outstanding prospects for the Varsity next year. The highlight of their victories was a 20-6 win over the high spirited Los Altos team. Ending the year with a remarkable five game shut-out and now withstanding a two year record of 15-3-0. Halfback John Gomez gained an unbelievable 934 yards for the team while fullback Mark Blackley accumulated 51 points. As for the teams opponents — we scratched out La Serna 20-0, Prowled around South Hills 12-0, Leaped over Royal Oak 20-0, Blew La Puente away at 14-0, and totally bruised Edgewood 38-0. With an outcome like this the Sophomore team is sure to be at the top for years to come.

Championship Away 1/2 Game

The Freshman football team completed the 1976 season with a successful 6-2-1 record. The pre-season saw the frosh post a mediocre 1-1 mark with a win over La Serna and a disappointing loss to Royal Oak. The team seemed to jell, however, with the start of the league season. A solid defense led by Co-Captain Mark Nill held opponents to a total of 20 points in seven games, while the offense was cranking out an average of 15 points per game. The highlights of the season came in the final game against undefeated cross-town rival Los Altos. A pass from Co-Captain Scott Brown to Mike Miranda set up the games only touchdown, scored by all around star Leo Sibayan, and a 8-0 victory. The final league record was 5-1-1 and only a half game away from a consecutive league championship.

Freshmen Team Members are — Alvarez Bobby, Phillip Aragon, Scott Baker, Steve Barba, Walt Bagdasarian, Eugene Bowan, Jeff Brook, Bob Brown, Mark Caddick, Greg Caricchio, Bill Ciorlieri, Andre Collins, Steve Dutra, Joe Fadden, Mike Garcia, Stuard Gilder, Charlie Gillan, Bob Goodson, John Graham, Tony Hart, Greg Hedge, Blake Hill, Philip Jimenez, Mark Mangrum, Jon McGann, Andy Medina, Tracy Meinke, Mike Miranda, Steve Myers, Makk Nill, Ruben Ojeda, Mike O'meara, Jim Onate, John Parker, Vince Portesi, Angel Ramirez, Fred Saldana.

Wrestlers Fall To Sierra Competition

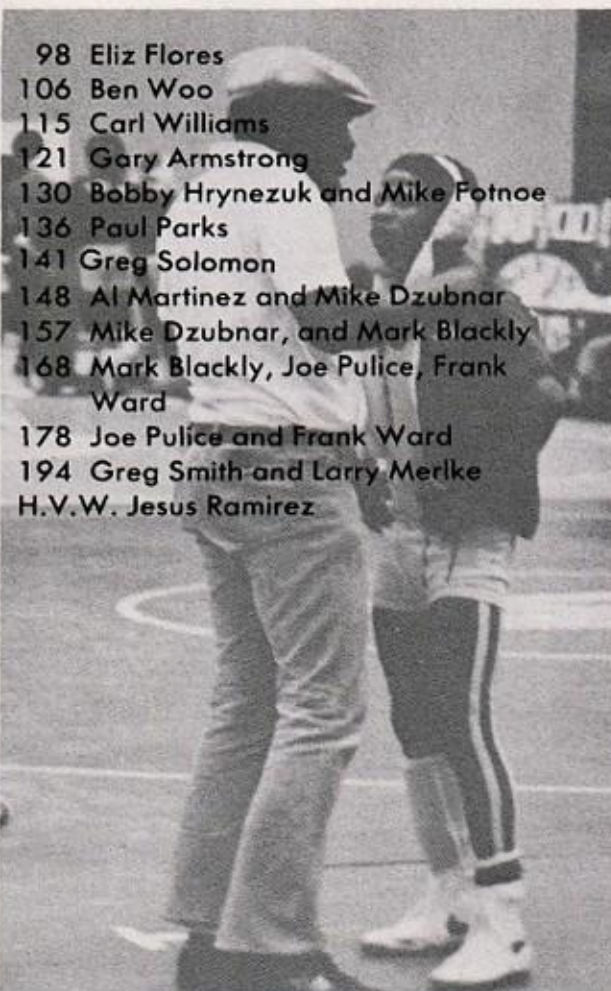

Hard physical training and calisthenics was the schedule helped to increase endurance in the wrestling team. Under the guidance of coaches Gomiella Baker and Jerry Cochran, the team learned techniques and various holds to improve possibilities of winning. The wrestlers found the Sierra league competition to be stiff. Unable to grasp many wins, the cats recorded a 2-5 record. Team captains were Mike Dzubnar, Greg Solomon and Jesus Ramirez. The team was mostly made up of Juniors who lettered varsity. The wildcats hope to be more impressive in future years.

Awards given out at the banquet went to most valuable — Greg Solomon, most inspirational — Mark Blackly, most improved — Ben Woo and coaches award — Frank Ward. Four players went on to league finals, Carl Williams took second, Mike Dzubnar — second and Gary Armstrong and Frank Ward held second and third place marks respectfully.

Also adding to their winning campaign was Gus Vasques 4-1 and Butch Spalione. The teams victories were much deserved, and helped a lot to boost the morale of the group. Wildcats Surprise League; 10-4

As the league started all the teams in the Sierra League were evenly matched. The Wildcats opened with five consecutive wins over Edgewood, Glendora, West Covina, South Hills, and La Puente but dropped the next game to Covina in overtime by two points. The Wildcats then fell to Los Altos by five points to end the first round of play. The second round was a repeat of the first with Los Altos and Covina tying for first in the League and the Wildcats taking third and being invited to the CIF playoffs.

This season the Wildcat fans have seen great basketball from the Wilson Cagers. After four years Coach Fred Miller brings the team to CIF action. The entire starting lineup, Phil Flores, Mike Fernandez, Dion King, Earl Williams, and Clarence Hawkins, was nominated for High School All American.

Much of our success can be credited to the encouraging enthusiasm of the crowds. Few games went by without that certain group, under the leadership of Frank Michinock, yelling and cheering until they were unable to talk. The all-out spirit and pure enthusiasm they brought out in the fans surely encouraged our team into the playoffs.

Juniors Lead Speed Events

A strong team of juniors led the Wildcat cause in the speed events this year, promising an even better season next year. Underclassmen, Gary Morales and John Serrano, looked strong in the 330 low hurdles while Serrano and Danny Salazar grabbed important points over the 120 yard barriers. Senior Steve Nylander and junior Mark Hama ran impressively in the 100 and also combined with Salazar and Frank Michinock to complete the 440 yard relay. Steve Dawson was the teams' top long sprinter in '77, turning in five times in both the 220 and 440.

Jon Takahashi was the most valuable man on the JV squad. "Taco" ran the 120 high hurdles, the 220 and the consideration. Jesus Sotelo was also an important asset to the JV's this year, competing in just about everything.

Field Events Prove Decisive

Led by David Serrano, the field events proved decisive in many a meet for the Wilson team in 1977. Serrano scaled a school record in 42'7" in the triple jump, a team leading 19'11" in the long jump and a fine 5'8" high jump in aiding the Wildcat cause. Kent Miller provided adequate back-up in the horizontal jumps, while Mark Moritz and Paul Carroll gave the team a dependable pair of six foot high jumpers. The pole vault was another strong event, boasting a trio of 11'6" vaulters. Pat Hayes (12'6"), Rick Holt (11'6") and Ralph Schwerber (11'6") turned in strong performances week after week. Brian Buettner in the discus and Tom Odgers in the shot put added valuable points to the teams effort in an otherwise weak year for the weightmen.

The Wildcats' field event dominance doesn't stop on the varsity level, however, as several superior marks have been recorded on the lower levels. Caesar Jara has performed spectacularly in the pole vault, while Victor Williams and Steve Barba have constantly cleared 5'2" in the high jump. Steve Juarez, Anthony Parmirez and Tim Harmon could be counted on for strong efforts in the throwing events while leapers Steve Caddick, Don McCoy, Robert Glasco and Dave Yount rounded out the field event competitors.

Following a league championship cross country season, Wilson's Harrier squad turned to the track for the spring season. Tom Robbins, Ben Diaz and Jon Serrano manned the 880 while Greg Winters was the Wildcat's main starter in the mile. Sophomore record holder Steve Cubillas and senior Kevin Baxter took on all comers in the schedules' longest event, the two mile.

On the Junior Varsity level, Tom Duck recorded a best of 2:12.8 in the 880. Joe D'Amato's 4:59 mile led all competitors in that event, while Mike Cahow and Gabe Hernandez turned in excellent performances in the two mile.

Several bright new stars arose this season on the Frosh-Soph level. Bob Golenor and Mark Weiner turned in fast half mile marks to compliment the solid times in the mile of Luis Ordonez and Jim Cubillas. Weiner, Ordonez and Cubillas ran the two mile, also, completing several exhausting afternoons on the oval.

This year Wilson had another outstanding season. Soccer gained much popularity and respect. However, little did participants realize that this sport would become a most successful event. Valuable experience and teamwork was the major goal of our non-stop Soccer team. Good soccer can not be played by a team of individuals. It is a team sport and a team effort. The Wildcats played with all the skill and determination they had, led by starters Leo Mercado, Gus Lua, Hugo Mercado, and Don McCoy. The team displayed good sportsmanship and fine talent. Wilson proved to be the top team in the league. The season was capped off by a close loss to La Puente. The Wildcats tied for first in the league with Glendora and La Puente, to give way to Wilson in CIF Competition.

Wildcats Tear Warriors

The only time success ever came before work was in the dictionary. Varsity baseball put in hours of long, hard, exhilarating work-outs, hoping to place high in Sierra League Competition. Due to injuries in the starting line-up the Wildcats tried to regain ground, but were defeated in the process. Toughest adversaries included Glendora and Edgewood. Wildcats continued their losing streak against Los Altos, West Covina, Covina and South Hills!

Holding Infield positions were Greg Solomon, first base, Mark Glaab, second, Pete Beattie, Mike Ward and Mike Figueroa alternating shortstop, and Kevin Hoy, third base. Center field was grounded by Chuck Ciorlieri, right field, Mike Ward and Bill Schwerin and left field, Angel Figueroa. Catching duties were performed by Albert Torres and Jim Stanton. BOY'S SWIMMING

1977 was a good year for Wilson's Boys Swim Team. Led by Coach Scott Massey and Asst.-Coach Marshal. This strong group of dedicated swimmers went on to win Montebello, South Hills and Bell Gardens all in 1 week by a large margin in score.

This is the first year the Swim Team has had a pool of their own and they've really been taking advantage of it. The Boys work out 4 hours a day in the mornings, afternoons and some weekends.

Standing wise, the team did well and with a lot of hard work and coaching this team is sure to be CIF contenders.

Cats Take To The Water

THIS year's Varsity Water Polo team started out terrific. Their first game, led by captains Stan Pfeifroth and Rob Linde, was won by a score of 13 to 12 against Cal-Hi. Stan Pfeifroth went on to acquire the title of "Most Valuable Varsity Player."

VARSITY Members — David Clark, Craig Lauer, Fred D'Andrea, John Walton, Pat Bird, John Renteria, Mark Bierman, Jerry DelRosario, Stan Pfeifroth, Robb Linde.

Bright Future

The J.V.'s, on the other hand, didn't have as good a season as they'd hoped. Because of the absences of many of the players due to other activities, the team wasn't as strong as it could have been. Despite their difficulties the team, along with captains Scott Keaveny and Mike Meyers, made a good showing. Mark Guccione achieved the title of "Most Valuable Player."

Unlike the other two teams, Frosh-Soph. did a fantastic job. With Dan Avila and Don Underwood as captains, the team ended their season 9 and 4. The entire team performed very well. Fred D'Andrea received the title of "Most Valuable Frosh-Soph. Player."

The team worked very hard, fulfilling their goal of making Montevista Tournament. First they played Warren, winning with a score of 10-0. Bosco Tech fell next to a Wildcat victory of 4-2. Rolling Hills was wiped out, 7-2. Frosh-Soph. are the Montevista champs this year. Coach Massey expects this team to make for a winning Varsity in the years to come.

Set It Up, Spike

This year the varsity squad improved their league standings by at least 2 places. Last year the varsity came in 7th place just above St. Lucys with a 2-6 record. This year was quite different. Wilson carried a 4-4 record finishing the league above La Puente, Glendora, West Covina, and South Hills. Only 1 game out of a tie for 3rd and 4th place.

VOLLEYBALL (RESERVE TEAM) — The girls reserve team as usual came in the top 2 in the league. The reserves had a 5-1 record only losing one game in league play to Covina. The scores in that game were 16-14, 15-13, 16-14, so you can see that the entire league championship was won by only 2 points. Congratulations for a well earned 2nd place.

VOLLEYBALL J.V. — The J.V. Volleyball did not do quite as well as the Varsity or Reserve Team. But the team is a young one with the majority of the girls being sophomores and freshmen. Wilson's league standing was 7th place out of 9, just ahead of La Puente and South Hills.

GIRLS BASKETBALL

The girls Basketball Team had a lot of ups and downs, although only a few players survived throughout the season.

The girls played good games and were very disappointed about most of their losses because they were so close to winning.

Lourdes Perez, a foreign exchange student, was an exceptionally good player along with Yvette Meneses who was an aggressive rebounder. They made a good

team, even when some of the games were played with only 4 people on the court. Although Gina Natoli was one of their best players, she hurt her knee in a practice game and was out for most of the season. Jane Abassi who deserved an Emmy for her "Con-artist" performance of covering up her fouls.

Even after all of these mishaps, the team had a fun season, and most will be back next year to try it again.

Gymnasts Score High

The year 1977 has been a great one for the gymnastics team class 2 and 3.

Their first meet of the year brought them a high score and a victory. Freshman Linda Boswell, a new member on the team, has scored the highest of all the members of the 1977 class 3. Not only is she fantastic on the bars, but all of the other events such as the beam, vault and floor exercises.

For the floor class 2, Kathe Grasham takes the prize. She has the highest scores in the intermediate class. Following close is Karen Bowan with floor exercises and Valerie Vance on the bar.

The winning scores for the class 3 was 64-69; for class 2 it was 31.5-27.9 in their first match. Both classes hope to do as well in those to come. These scores prove that the hard work of the 1977 gymnastics team has paid off.

WILDCAT secret agent # 1 races to tell the advertising spokesman the final result of the big decision of the Hacienda Heights businessmen's annual meeting.

HE must hurry for time is running out.

AGENT # 36, knowing that it is up to her to deliver the result to the advertisement spokesman successfully and on time, turns it on full speed.

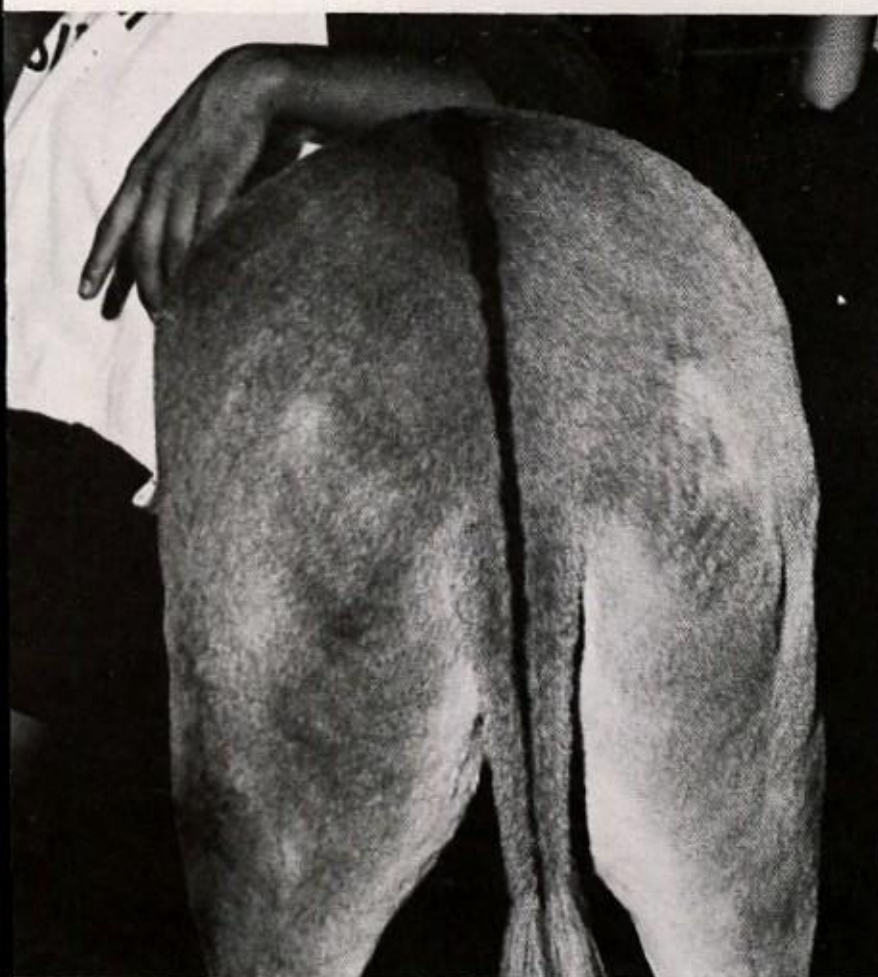

JUST in the nick of time, she reaches the ad spokesman who announces to the awaiting Wildcats that the Hacienda Heights' businessmen have decided to support "The Prowler" this year!

NALLY he reaches Agent #2, gives her the result and vows her secrecy.

ALTHOUGH she comes up against some tough opposition, she successfully passes on the message to Agent #36.

THE END!

Kennie, the only thing I can say is it been "such a long time" and I think we made it with flying colors so take care and be good if you can't name it after me!

Always

You look around you and you realize you are losing something. You look at all the people waiting for their diplomas and your heart grows tight. In the unknown years to come friends will grow apart, the guy whose locker was above yours will be Mr. September in Playgirl, what's-her-name will have twins, you'll lose touch with that special teacher who understood you and you were secretly in love with, the girl you cheated from in Math will be killed in an auto accident, and at the ten year reunion only a hundred strangers will show up. That's when you'll polish up your class ring, try on your too tight Letterman's jacket, blow the dust off your Led Zeppelin albums, and pull out your yearbook and laugh at how bad your picture turned out and because the goon in your IPS class is the highest paid actor on TV.

That was our aim in making this annual. We wanted to cram as many memories in 264 pages as we could. Some of you won't like it, most of you will find mistakes, but all of you will smile at a certain picture or story and that's what this book is all about — to make you smile.

The staff wishes to thank our advisor, Mrs. Lavon Hunter, who stayed hours after school, came at five in the morning to work on all our deadlines and stood the headaches they caused with a minimum of yelling. We also would like to thank Taylor Publishing, our representative, Nelda Townsend; Watson Studio; Mr. Wong and his advanced photo class; the Highlander; and Mr. Lorne Young. Also, we'd like to thank the coaches of Wilson for all their patience and advice.

Simme,
I don't know
when to begin! I
know that we know,
actually, so little about
each other and yet we seem
to do ok! You're right. Things
have seemed to happen rather fast,
but it doesn't seem to bother me. I am
glad now that I transferred to Wilson. I know
that as summer comes and you go to work at
Bubens that we will probably see a lot less of each
other. No, I don't want that to happen, but I'm afraid
I would talk about it for hours. You see I liked you when you
were seeing "V" and we would talk and laugh about it all the time. I can
that was a hilarious weekend! You and my brother sure get along pretty
well. I am glad though, it makes him easier to live with. Simme, all I can
say now is that I love you very much and I always will. On congratulations on
getting into Astor, you deserved it. Well do the day before graduation! I don't want you
to graduate! I'll leave and I'll still be stuck at good old Glena. THANKS! You had
bitten go on to college or I'll kill you. You do have brains and when you put
your mind to it you are going to go far. I wish you luck in the future trying
to tackle the world. You'll do great, I know! I don't hate you. I can't!
by saying that I am in love with you and I don't hate you. I can't!

Love you!

Lennie,
 Well its been a long 4
 years. I remember what you
 put in my annual last year
 I could put double that in
 yours about Robin but its
 useless to say anything. I'm
 glad I know you because
 you introduced me to Rhonda.
 I'm eternally grateful to you
 your a nice kid, sometimes,
 try to stay that way. For
 Robins sake dont lead her on
 unless you mean it. She's
 stuck on you and cant get
 over it unless you go one
 way or the other. Good
 Luck in Life.

You were on of the funnest
 guys I know. We really had
 some good times! Your talents
 really shinned out in the last
 two musicals and I'm pleased
 with the award you recieved
 this year. I thought you really
 deserved it! I hope you
 continue in music in some way.
 Our quartet really kicked this
 year and it'll be hard to replace
 you next year. In whatever
 you do I know you will prosper
 because you have the desire
 and the will to work and where
 there's a will there's a way. I
 wish you all the luck in the
 world. Hope to see you later
 on in life.

LENNIE,

It has been great knowing
 you in Owing choir. Please
 try to be a little nicer to
 Robin. WHEAT ~~anyway~~ Good

LENNIE, IT'S BEEN FUN IN HOMEROOM, EVEN THOUGH THERE WERE ONLY
 NINE OF US. HAVE FUN WORKING AT BEKINS AND THEN
 AT COLLEGE IF YOU GO. HAVE FUN, STAY OUT OF TROUBLE
 (IF IT'S POSSIBLE TO DO BOTH AT THE SAME TIME), AND
 DON'T WORK TOO HARD. GOOD LUCK,

Bob Kraus
